- and
8. To take whatever actions may be necessary to carry out the mission of the Agency in emergency situations.

Section B:

An act, exercise, or agreement of the respective personnel authorities (management) shall not be interpreted in any manner as a waiver of the sole management rights as codified in the D.C. Official Code §1-617.08 and as outlined in this Article.

Section C:

Notwithstanding Sections A and B above, the Union may grieve, if in exercising management's rights, the Department violates any procedures contained in this Agreement.

## **ARTICLE 6                      NON-DISCRIMINATION**

Section A:

The Department recognizes its responsibility to promote and ensure equal employment for all persons and to promote the full realization of EEO through positive programs of affirmative action at every level within the Department.

Section B:

In the development and implementation of its affirmative action plan, and in accordance with District laws and regulations, the Department agrees to consider the following:

The EEO complaint regulations and procedures will be published, posted and made available to each employee as well as included in the Affirmative Action Plan. The parties agree that EEO complaints shall be processed in accordance with District law, rules and regulations. This does not preclude the non-EEO aspects of mixed grievances (where clear distinction can be made and where such complaints are within the scope of the grievance procedure as defined within this Agreement) from going through the negotiated procedure.

## **ARTICLE 7**

## **UNION SECURITY AND DUES**

Section A:

The terms and conditions of this agreement shall apply to all employees in the bargaining unit without regard to Union membership. Employees covered by this agreement have the right to join or refrain from joining the Union. Pursuant to D.C. Official Code §1-617.11(a), the Union shall have the right to act for and negotiate agreements covering all

Official Code §1-617.07 (2001 ed.), Management shall deduct dues from the bi-weekly salaries of those members who execute an appropriate membership/union dues deduction authorization form. The dues checkoff authorizations may be cancelled by the employee at any time upon written notification to the Union and the Employer. The Union retains the sole responsibility to develop and maintain procedural safeguards required by existing applicable law with regard to the administration for the payment of service fees. The Union shall be solely responsible for notifying employees, prior to obtaining their authorization, that they have certain constitutional rights under Hudson v. Chicago Teachers Union Local No. 1, 743 F.2d 1187, 1191, 117 LRRM 2314 (7th Cir. 1984), and related cases.

Section C:

Employees who do not pay Union dues shall pay a service fee amount (not to exceed Union dues) consistent with law.

Section D:

The service fee and/or Union dues withheld shall be transmitted to the Union, minus a collection fee of fifty (.10) cents per deduction per pay period. Upon a showing by the Local Union that sixty (60%) percent of the eligible employees in the bargaining unit for which it has certification are Union members, Management shall begin withholding, not later than the second pay period after this Agreement becomes effective and the showing of sixty (60%) percent is made, a service fee applicable to all employees in the bargaining unit(s) who are not Union members. The service fee withholding shall continue for the duration of this Agreement. Payment of dues or service fees through wage deductions shall be implemented in accordance with procedures established by the Agency and this Article.

Section E:

The Union shall transmit any dues deduction authorization forms to the Office of Labor Relations and Collective Bargaining (OLRCB), along D.C. Form 277. The amount to be deducted shall be certified to the OLRCB in writing by the appropriate official of AFGE, Local 1975. It is the responsibility of the employees and the Union to bring errors or changes in status to the attention of the Employer.

Section F:

When a service fee is not in effect, the Union may require that an employee who does not pay dues or a service fee shall pay all reasonable costs incurred by the Union in representing such employee(s) in grievance or adverse action proceedings in accordance with provisions of Title 1, Chapter 6 of the D.C. Official Code (2001 Ed.).

Section G:

The District shall start deducting Union dues from the employees as soon as is practicable after notification of an employee's application for membership and dues check-off is received, but in no case will changes be made retroactively.

Section H:

The Agency shall stop deducting Union dues or service fees from the affected employee at the earliest opportunity after notification from the Union of an employee's separation from the bargaining unit.

Section I:

The Union shall indemnify, defend and otherwise hold the employer harmless for mistakes, omissions, timely deductions made or not made, or any other action taken by Management under the terms of this Article. Should an employee pursue a claim for recovery of any monies under this article, it shall be a matter solely between the Union and the employee.

Section J:

Payment of dues or service fees shall not be a condition of employment.

## **ARTICLE 8                      UNION REPRESENTATION**

Section A:      Number of Representatives:

Management shall recognize elected/appointed Union Officers and Shop Stewards such that there is no more than one (1) Steward for every fifty (50) employees.

Section B:      Designation of Representatives:

1. The Union shall provide Management in writing with a complete list of all Union Officers and Stewards. It shall be the responsibility of the Union to notify Management of any changes in the roster of Union Officers and Stewards.

2. Changes to the list of Union Officers and Stewards normally will be submitted to the Agency's Labor Liaison or other designated management official at least two (2) workdays prior to the assumption of representational responsibilities by any new officers or stewards. If a union official/representative is not on the list of designated representatives and is needed prior to the Union providing Management with the required two (2) days notice, the Union President shall notify the Agency head or his/her designee by phone or facsimile before the official will be recognized, absent exigent circumstances. The Agency will not recognize any official/representative who is not listed as required or for whom notification was not provided in accordance with this Section.

Section C: Advance Notice Required When Requesting Official Time

1. Representatives of the Union will be granted reasonable amounts of official time to carry out its representational duties in accordance with the provisions of this Article.

2. Official time for all Union representatives must be requested and approved in advance consistent with workload requirements except when exceptional circumstances do not allow for advance approval.

Section D: Requests for Official Time:

1. Stewards are authorized to perform and discharge the duties and responsibilities of their position as it relates to representing the employees of the Unit. Requests by Stewards to meet with employees or requests by bargaining unit employees to meet with Stewards shall not require prior explanation to the supervisor of the problem(s) involved other than to identify the area to be visited, and the general nature of the Union representational matter(s). Union representatives shall obtain advance permission (by submitting an Official Time Form) from their immediate supervisor or their immediate supervisor's designee when leaving work to transact permissible labor-management business (as defined by this Agreement) during work hours. The Union representative shall provide sufficient information on the "Official Time Form" to permit the supervisor to grant or deny the request. If the request for Official Time is denied, the Union representative will be informed at that time when she/he will be permitted to leave. If the immediate supervisor is not available, permission will be requested from the next higher level of supervision.

2. The parties recognized that some issues may be of a sensitive nature and may require sensitivity and care when representing employees involved in such matters. In such cases, the Union representative will contact the Labor Liaison to request official time to attend to the Union representation matter perceived to be of a sensitive nature.

The Labor Liaison will consult with the appropriate supervisor after receiving the Union's request for Official Time.

Section E: Advance Notification When Visiting Work Areas

Union representatives will provide the appropriate supervisors with reasonable advance notice of his or her desire to speak with employees in a particular work area. Upon entering a work area other than his/her own, the Union representative shall immediately advise the appropriate supervisor of his/her presence and the name(s) of the employee(s) he/she desires to visit. In the event the Union representative wishes to visit a work area but not meet with a bargaining unit member, he/she must also notify the appropriate supervisor upon arrival.

Section F: Official Time for Representational Activities

1. For the purpose of this Article, "representational functions" means those authorized activities undertaken by bargaining unit employee representatives on behalf of other employees or the Union pursuant to representational rights under the terms of this Agreement. Employees required to appear at meetings and conferences at the request of the District or U.S. Government, or management officials, or pursuant to a request from the D.C. Council, D.C. Office of Human Resources, the Office of Personnel Management or the U.S. Congress, shall not be charged annual leave for such purposes and shall be provided administrative leave to the extent consistent with law and regulation. The employee receiving such a request shall immediately notify the appropriate supervisor and, upon request, provide a copy of the request or other appropriate evidence of the request. When access to agency premises is required by National Representative(s), reasonable advance notification must be submitted to and prior approval received from the Labor Liaison. The Labor Liaison will consult with and ensure that the appropriate supervisor of the facility to be visited is aware of the date and time of the Union National Representative's visit.

#### Section H:

Management will not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. However, the Agency agrees that such permission for release shall not be unreasonably delayed or denied.

#### SECTION I:

1. The parties acknowledge that there is mutual benefit in addressing questions as to what is "reasonable" and what procedures should be followed to resolve the problems associated with perception(s) by the Employer that an unreasonable amount of time is being used or that the intent as to "reasonableness" is otherwise being abused. The parties agree that in any instance or pattern so perceived, it shall be the responsibility of

the Employer to promptly communicate to the Union President and the Office of Labor Relations and Collective Bargaining its specific concerns.

2. The OLRCB shall assist the parties in their interpretation of the Official Time provisions of this Article and attempt a mutual resolution of the problem. The Union President will address alleged abuse of official time.

However, no overtime or other form of compensation shall be allowed for attendance at such meeting.

Section K:

Where employees are not represented by the union with exclusive recognition for the unit, a representative of the exclusive labor organization must be given an opportunity to be present at any meeting held to resolve the grievance.

## GRIEVANCE PROCEDURE

### Section A:

The purpose of this Article is to provide a mutually acceptable method for the prompt and equitable settlement of grievances.

Therefore, Management and the Union retain the right to settle any grievance in the enforcement of this Agreement through and including Step 4 of the grievance process. Management shall ensure that all settlements reached with respect to grievance resolution shall be implemented in a timely manner.

### Section B:

A grievance is a complaint by a party or parties that:

1. There has been a violation, misapplication or misinterpretation of this Agreement;
2. That there has been a violation or misapplication of appropriate term(s) and condition(s) of the Compensation Agreement for Units 1 & 2;
3. No complaint of a violation of Article 6 (Non-Discrimination) of this Agreement may be asserted as a grievance under this procedure. Appeals/complaints concerning Equal Employment Opportunity matters shall be handled exclusively by the appropriate legal authority having jurisdiction over such appeals/complaints;
4. Alleged violations or misapplications of any law, District-wide rule or regulation are not subject to this grievance procedure and should be handled exclusively by the appropriate administrative agency or body having jurisdiction over such issues.

### Section C: Presentation of Grievance

1. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level.
2. Categories of Grievance:
  - a. Personal: A grievance of a personal nature which requires signature of the aggrieved employee at Step 2 even if the grievant is represented by the Union. In the case of an individual grievant proceeding without Union representation, the Union shall be given the opportunity pursuant to advance notification to be present and offer its view at any meeting(s) held to adjust the grievance. A copy of any settlement

agreement reached between the parties or adjustment, decision or response made by the Department must be sent to the Union.

b. Class: A grievance involving all the employees in the bargaining unit which must be filed and signed by the Union President directly at Step 4 of the grievance procedure. Grievances so filed will be processed only if the issue raised is common to all unit employees. A class grievance must contain all information specified in Step 2 of the grievance procedure. The Department Head or his designee shall respond in writing within twenty (20) workdays of its receipt.

c. Group: A grievance involves a group of bargaining unit employees within the Department. A group grievance may be filed by the group of employees at the appropriate step of the grievance procedure where resolution is possible. The signature of each member of the group is required at the initial step for grievance(s) filed at Step 2 or beyond.

In the event the group is not represented by the Union, the Union must be given opportunity pursuant to advance notification to be present and offer its view at any meeting(s) held to adjust the grievance. A copy of any settlement agreement reached between the parties as adjustment, decision or response made by the Department must be provided to the Union upon request.

#### Section D: Procedure

1. Step 1: The aggrieved employee, with or without a Union representative, shall orally present and discuss the grievance with the employee's immediate supervisor within ten (10) workdays of the occurrence of the event giving rise to the grievance, or within ten (10) workdays of the employee's knowledge of the event giving rise to the grievance. The immediate supervisor shall make a decision on the grievance and respond to the employee and his/her representative within ten (10) work days after oral presentation of the grievance.

2. Step 2: If the grievance is not settled at Step 1, the employee with or without his/her Union representative, shall submit a signed, written grievance to the Division Chief (DPW and DDOT), the Call Center Manager at the Office of Unified Communications or the appropriate management official for the other agencies within ten (10) workdays following the immediate supervisor's oral response or the date said response was due. The grievance at this and subsequent steps shall contain:

1. Description of the nature of the grievance;
2. The date(s) on which the alleged violation occurred;
3. A complete citation to the contract provisions allegedly at issue;
4. A statement of the remedy or adjustment sought;

5. Authorization by the employee if Union representation is desired;
6. The signature of the aggrieved employee(s) and the Union representative, if applicable, according to the category of the grievance.

Should the grievance not contain the required information, the grievant/Union shall be so notified in writing and given five (5) workdays from receipt of notification to resubmit the grievance.

The appropriate management official shall submit a signed, written response to the grievance to the employee and his/her Union representative within ten (10) work days of its receipt. If the aggrieved employee is not represented by the Union, the management official responding to the grievance must send a copy of the Step 2 response to the Union within ten (10) workdays of receipt of the Step 2 grievance.

3. Step 3: If the grievance remains unsettled, the grievance shall be submitted to the Administrator at DPW, the Associate Director at DDOT or the designated Management official at the other agencies in his/her division within seven (7) workdays following receipt of the appropriate Management official's Step 2 response or the date said response was due.

The designated Management official in the division shall respond in a signed, written statement to the employee and his/her representative within ten (10) workdays of receipt of the Step 3 grievance. If the aggrieved employee is not being represented by the Union, the designated Management official of the division must send a copy of the Step 3 response to the Union within ten (10) work days of receipt of the Step 3 grievance.

4. Step 4: If the grievance remains unsettled, the employee or the Union on the employee(s) behalf shall submit the grievance to the Director of the respective agency or the Chairperson of the Taxicab Commission within seven (7) workdays following receipt of the Step 3 response. Within fifteen (15) work days of receipt of the Step 4 grievance the Director/Chairperson or his designee may meet with the aggrieved employee and his/her representative to attempt to resolve the grievance or must respond in writing. If a meeting occurs, the Director/Chairperson shall respond in writing to the employee and his/her representative within ten (10) work days following the Step 4 meeting. If the employee is not being represented by the Union, the Director/Chairperson must send a copy of the Step 4 response to the Union within ten (10) work days of the Step 4 meeting or the date the meeting was due.

5. Step 5: If the grievance remains unsettled, the Union within fifteen (15) workdays from receipt of the Director's/Chairperson's response, shall notify the Director/Chairperson and the OLR CB in a signed statement indicating whether the Union intends to request arbitration consistent with the Arbitration Procedures or mediation consistent with the Mediation Procedures outlined in this Article. Only the Union or management can refer a grievance to arbitration and mediation.

If the Union intends to share the cost of the record of the hearing it must notify the OLRCB at the time of the request for arbitration.

Section E:     Grievance Mediation

1.     Should the parties fail to resolve the grievance utilizing the grievance procedure set forth above (Section D, Subsections 1-4), by mutual agreement, the parties may, within ten (10) workdays after the receipt of the Step 4 response, submit the matter to mediation utilizing the services of the Federal Mediation and Conciliation Services. If the parties mutually agree to mediate the matter, the following procedures will be utilized to mediate the matter.

2.     Selection

a.     A joint request shall be submitted to the Federal Mediation and Conciliation Services (FMCS). The mediator selected must have demonstrated expertise in public sector labor relations and in grievance mediation.

b.     The mediation session(s) must commence within thirty (30) days of the agreement to mediate. If the matter is not successfully resolved through mediation or is not scheduled for a mediation session within the thirty (30) day period, the OLRCB and the Union shall select an arbitrator consistent with the terms of this Agreement.

3.     Mediation Procedure

a.     Each party shall have representation at the mediation session.

b.     The grievant(s) shall be present and may participate at the mediation session. In the case of a class or group grievance, a maximum of three (3) grievants shall be present as representatives of the class or group.

c.     Mediation sessions shall be informal; the rules of evidence shall not apply.

d.     The mediation session shall be confidential. No record of the session shall be made.

e.     During the session, the mediator may meet individually or jointly with participants, however, he/she is not authorized to compel or impose a settlement.

f.     The mediation session shall not exceed one (1) day unless the parties agree otherwise.

4. Mediation Conclusion

- a. The parties shall sign their respective copies of any settlement agreement as a result of mediation.
- b. Should both parties accept any settlement achieved through mediation it shall not have precedent setting value unless mutually agreed to on a case-by-case basis. Absent mutual agreement neither party may cite any settlement achieved through mediation in any other proceeding.
- c. Should mediation and any further negotiations among the parties fail to resolve the matter, the arbitration proceedings in accordance with Section D, Step 5 may be invoked by the Union or the Agency within five (5) calendar days of the conclusion of the mediation session.
- d. The mediator shall be barred from arbitrating the grievance in a subsequent proceeding or testifying in a subsequent arbitration proceeding.
- e. Documentation pertaining solely to the mediation process including evidence, settlement offers or the mediator's advisory opinion shall be inadmissible as evidence in any arbitration proceeding.
- f. The parties shall share the fees and expenses of the mediator equally.

Section F: Arbitration

1. Selection of an Arbitrator:

- a. Except in cases of mutual agreement as to the appointment of an arbitrator, a panel of seven (7) arbitrators shall be requested by the party demanding arbitration from the Federal Mediation and Conciliation Service (FMCS) from which an arbitrator shall be selected after receipt of the panel by both parties. The request shall require the FMCS to refer only arbitrators (a) who are on the roster of labor arbitrators maintained by the American Arbitration Association (AAA), and (b) whose primary offices are located in the District of Columbia or a contiguous jurisdiction in Virginia (Alexandria, Arlington, or Fairfax Counties, or wholly incorporated municipalities within those counties) or Maryland (Montgomery or Prince Georges Counties, or wholly incorporated municipalities within those counties). When either party requests a panel, the FMCS shall be provided with the name and address of the Office of Labor Relations and Collective Bargaining as the representative of the Employer. The party requesting arbitration shall be required to bear the fees associated with the panel request and any initial administrative fees. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The decision as to which party selects

first will be determined by the toss of a coin. The arbitration hearing shall be conducted pursuant to the American Arbitration Association guidelines unless modified by this Agreement.

b. If, before the selection process begins, either party maintains that the panel of arbitrators is unacceptable, a request for a new panel from FMCS shall be made. Subsequent requests can be made until the parties receive an acceptable panel.

c. Once an arbitrator has been selected, the party requesting arbitration will provide a copy of the section of the grievance procedure requiring the arbitrator to render his/her decision within thirty (30) days after the conclusion of the hearing or within thirty (30) days after the arbitrator receives the briefs, if filed, whichever is later and requests that the arbitrator confirm in writing that he or she will be able to render a decision within thirty (30) days after the stated events, as required by the parties Agreement. Should the arbitrator selected cannot confirmed that he/she will be able to render a decision within thirty (30) days or within a reasonable time thereafter, the parties may mutually agree to select a different arbitrator.

2. Either party may refuse to arbitrate because of its assertion that no valid collective bargaining agreement exists between the parties or that the substantive matter in dispute is not within the scope of collective bargaining. The party disputing the assertion may request the D.C. Superior Court to compel arbitration of the matter.

3. Hearings shall be held in the Office of Labor Relations and Collective Bargaining or another mutually agreeable location. If any additional costs are involved, they shall be borne equally by the parties.

4. The arbitrator shall hear and decide only one (1) grievance in each case unless the parties mutually agree to consolidate grievances.

5. The arbitration hearing shall be informal and the rules of evidence shall not strictly apply.

6. The hearing shall not be open to the public or persons not immediately involved.

7. Witnesses shall be sequestered upon request of either party. The principal representative of a party shall not serve as a witness in the proceeding. The principal representative may retain one witness or a non-witness, as the client representative, to assist him or her during the course of the hearing. A client representative, who is also a witness in the proceeding, must testify first and may also testify on rebuttal.

8. Either party has the right to have a verbatim stenographic record made at its own expense. The expense may be shared upon mutual agreement. The stenographic company shall provide the Arbitrator a copy of the record. Stenographic records are not producible pursuant to a request by either party unless that party has paid for all or part of the cost of said record pursuant to a mutual agreement. If the Union intends to share the costs of the record of the hearing it must notify the Office of Labor Relations and Collective Bargaining at the time of the request for arbitration.

9. The parties shall attempt to submit a joint written statement of the issue or issues to the arbitrator.

10. The parties shall exchange witness lists 5 days in advance of the hearing, unless mutually agreed otherwise. District employees will be on-call and will be released to testify only on an "as-needed" basis.

11. Either party may file a written brief in lieu of closing argument after the closing of the hearing at a time set by the Arbitrator.

12. The arbitrator's award shall be in writing and shall set forth the arbitrator's findings, reasoning and conclusions within thirty (30) days after the receipt of the stenographic record. If no stenographic record was made, the arbitrator shall issue his decision with thirty (30) days after the conclusion of the hearing.

13. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement through the award. The arbitrator shall confine his/her award to the issue(s) presented. The Arbitrator's award shall not conflict with any provision of applicable law.

14. The arbitrator shall have full authority to award appropriate remedies.

15. The arbitrator's award shall be binding upon both parties, however, either party may exercise its right to obtain review of the Arbitrator's award in an appropriate forum.

16. A statement of the arbitrator's fee and expenses shall accompany the award. The fees and expenses of the arbitrator shall be borne equally by the parties.

17. The arbitrator's decision shall be subject to the Federal Back Pay Act.

Section G: General

1. All time limits shall be strictly observed unless the parties mutually agree to extend said time limits.

2. The presentation and discussion of grievances shall be conducted at a time and place which will afford a fair and reasonable opportunity for both parties and

their witnesses to attend. Such witness(s) shall be present only for the time necessary for them to present evidence. When discussions and hearings required under this procedure are held during the work hours of the participants, all unit employees entitled to be present shall be excused with pay for that purpose.

3. Issues of procedural arbitrability shall be presented first at the arbitration proceeding and must be decided before a hearing on the merits. A party does not waive its rights to present procedural defenses by failing to raise the issue before the start of the arbitration hearing.

4. The Agency, including the labor liaison, shall ensure that grievances are addressed and responded to in a timely manner.

If the request for leave cannot be made as outlined in the preceding paragraph because of an unanticipated emergency, employees requesting unscheduled leave must call in to the appropriate supervisory official as soon as they are aware of the need for unscheduled leave, but at least two (2) hours before the beginning of their tour of duty. Employees calling in to request unscheduled leave must indicate the type of leave requested and estimate the duration of the request at the time of the call. In the event the employee is still unable to return to work at the end of the duration requested, the employee must call in at least two (2) hours prior to the beginning of their tour of duty to request additional time. If any employee is incapacitated and unable to call in to request unscheduled sick or annual leave, the request for leave may come from another person. In such cases, the supervisory official will treat the request as though it had come from the employee. Employees are not required to call in daily unless their prior request was for only one day of unscheduled leave. In exceptional circumstances, consideration will be afforded employees who for reasons beyond their control may not be able to comply with the two (2) hour call-in/advance notice requirement.

3. All requests shall be called in to the employee's immediate supervisor. If the immediate supervisor is not on duty, or cannot be reached, the employee shall call the next designated supervisor or manager's office until he/she speaks with a supervisor. The supervisor/manager receiving the call shall convey the request to the proper supervisor.

Section E: Request for Annual Leave:

1. Employees wishing to schedule (vacation) leave in advance for periods of one week or more will do so in accordance with the following procedures:

c. If more employees from the same work section or area than can be spared apply for leave the same period Management agrees to hold a conference with the employees involved before posting the final schedule in an effort to resolve such conflicts of schedules. Employee(s) agreeing to make a new selection will have preference in April, if the new selection is resubmitted by May 30th.

- d. Employees wishing to change their requests may do so provided their services can be spared and their new choice does not conflict with leave scheduled for another employee.
- e. During the periods of May 1st to October 1st, all employees will be encouraged to take one leave of five (5) to fifteen (15) days until every employee in the work area has had an opportunity to take vacation leave during this period.
- f. The granting of time off, or leave for Thanksgiving, Christmas and New Year's holidays will be on a rotating basis, so that all employees may have an equal opportunity for leave at these times.
- g. Although every effort will be made by supervisors to honor advance requests for vacation leave, an advance request is not a guarantee of final approval. Management reserves the right to cancel leave previously approved for circumstances such as workload or emergencies. In the event it is necessary to cancel advance requests, the supervisor will promptly advise the employee concerned, and in such cases the employee's circumstances will be given due to consideration. Every effort will be made to reschedule the vacation period for the employee's convenience.
- h. Unused leave in excess of forty (40) hours that has not been scheduled by October 15th must be taken or lost at the end of the calendar year, and must be scheduled by an employee by November 1st with approval of the supervisor.

3. Employee shall not be required to furnish a doctor's certificate to substantiate requests for approval of sick leave unless such sick leave exceeds three (3) work days continuous in duration; except in cases where management has given written notice to an employee that there is good reason to believe that the employee has abused the sick leave privileges and must, therefore, furnish a doctor's certificate for each absence from work which is claimed as sick leave. Such request to furnish a doctor's certificate for each absence shall be reviewed within ninety (90) days. Where improvement has been shown such documented request shall be rescinded.

Employees will respond to requests for a medical certificate as soon as possible but no later than forty-five (45) days after such a request is made.
